Clothes hanger for hotel room h438_257

Pack of 100 hangers for hotel rooms. Material: walnut-colored wood. With anti-theft ring.

The **clothes hanger for hotel room h438_257** is a professional accessory designed to combine classic aesthetics and maximum security within accommodation facilities. Made of **walnut-colored wood**, this hanger stands out for an elegant and simple structure, ideal for furnishing hotels, holiday homes, and B&Bs that care for the guest experience in every detail. To meet the operational needs of the hospitality sector, the model integrates a **steel anti-theft ring** that secures the support to the wardrobe rod, while the **non-slip bar** effectively solves the problem of accidental clothing drops, ensuring that trousers and delicate fabrics always remain in order.
