Clothes hangers for hotel rooms h43843

Natural wood clothes hanger for hotel rooms. Equipped with a trouser bar and anti-theft ring. Pack of 100 hangers.

The **pack of 100 hangers h43843** is a professional solution in **solid wood** with a natural finish, designed to meet the needs of **hotels, resorts, holiday villages, and B&Bs**. The product solves the operational problem of equipment loss in the room thanks to the integration of an **anti-theft ring** with a diameter of 38 mm, which secures the support to the wardrobe rod. Functionality is maximized by the presence of a **trouser bar** coated in non-slip thermoplastic material, allowing guests to store various types of clothing, including heavy items or slippery fabrics, ensuring order and care of the wardrobe during their stay.
