

Coat rack for nursery school h402_52

Blue laminated MDF coat rack for nursery school, 124 cm, 10 double metal hangers, rounded corners.

Coat rack designed specifically for early childhood school environments, where practicality and safety are priorities. Made of **blue laminated MDF** with a thickness of 12 mm and **rounded corners** to ensure the absence of sharp edges in contact with children. Complete with **10 double metal hangers** that allow for the simultaneous hanging of multiple garments for each hook, optimizing the available space.

The ideal solution for organizing jackets, backpacks, and accessories in the entrance and exit areas of nursery schools and kindergartens, reducing ground clutter and facilitating the autonomy of small users.
