

Coat rack with triple hooks for nursery h763_74

Wall-mounted coat rack for nursery h763_74 in 19 mm thick melamine with Oasis Oak finish. Equipped with 4 rotating triple polyamide hooks in Blue RAL 5002 with safety release system.

The **coat rack with triple hooks for nursery h763_74** is a professional wall-mounted furniture accessory designed for the organization and safety of early childhood spaces, developed for **school managers, employers of educational institutions, interior designers, educators, and corporate safety officers in the school sector**. This element meets the need to set up tidy reception areas and changing rooms, solving the operational problem of **hanging clothes and backpacks in total safety, eliminating the risk of injury for children thanks to hooks equipped with a life-saving mechanical system that releases in case of overload or excessive traction**. The structure is made of 19 mm thick high-density melamine (630 kg/m³) in the warm Oasis Oak finish with a silky matte texture, combined with an 8 mm back panel inserted into a groove and 1 mm ABS perimeter edging. The coat rack houses 4 rotating triple polyamide hooks in the contrasting Blue RAL 5002 color. To ensure quick and immediate installation, the unit is supplied fully factory-assembled and is prepared for wall mounting via dedicated rear holes.

Technical features

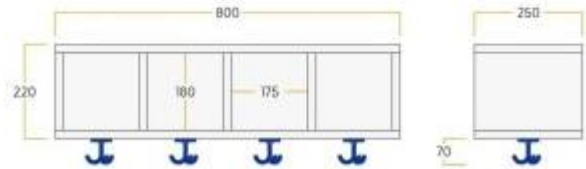

- **Product type:** wall-mounted coat rack for nursery with rotating hooks
- **Code reference:** h763_74
- **Main structure material:** 19 mm thick melamine panel (wood particles formed by three layers, agglomerated with synthetic resins by high-temperature flat pressing and sanding)
- **Structural panel density:** 630 kg/m³
- **Dimensions:** W 80 x D 25 x H 22 cm
- **Coating characteristics:** decorative paper coated with high-resistance 120 g melamine (normalized thickness), specific for applications subject to high wear for continuous use, with anti-fingerprint effect
- **Aesthetic finish of the structure (Cabinet):** silky texture with matte finish (Grade 4), Oasis Oak color
- **Back panel specifications:** 8 mm thickness, inserted internally into a groove
- **Perimeter protective edging:** 1 mm thick ABS edges
- **Hook configuration and material:** 4 rotating triple hooks made of polyamide
- **Hook finish color:** Blue RAL 5002
- **Integrated safety device:** mechanical system that releases the hook in case of excessive load or traction
- **Anchoring and fixing hardware:** 4 holes positioned on the back of the unit for wall mounting using plug + screw
- **Supply configuration:** supplied assembled and ready for installation
- **Mechanical and scratch resistance (UNE EN 14323):** scratch resistance ? 1.5 N; scratch defects ? 20 mm²/m²
- **Exhaustion and wear resistance (UNE EN 14323):** ? Grade 3 (material qualified as resistant)
- **Resistance to stains and chemical agents (UNE EN 14323):** ? Grade 3 (no visible defect found); good resistance to acids, alkalis, and oils at room temperature (aggressive household cleaning products without solvents)
- **Surface geometric tolerances (UNE EN 14323):** edge damage ? 10 mm/m; point defects ? 2 mm²/m²
- **Maintenance instructions:** easy-to-maintain washable surface; routine cleaning with pH-neutral products is recommended
