Colorful feeding desk for nursery h364\_79 in FSC-certified wood and recycled polypropylene legs. Dimensions: W 140 x D 90 x H 46 cm. 5-year warranty.

The **colorful preschool desk h364\_79** is a technical furnishing element specifically designed for feeding rooms and educational classrooms in nursery schools. This table combines ergonomics studied for the first years of growth with high safety standards and environmental sustainability, being fully compliant with the **Minimum Environmental Criteria (CAM)**. The structure features an **FSC-certified melamine chipboard** top with an anti-reflective and scratch-resistant finish, ideal for intensive daily use and resistant to chemical agents for deep sanitization. The design is characterized by **rounded edges and corners** to prevent injuries, while the polypropylene legs (made from 81% recycled material) offer a stable and durable base. The special plastic feet are designed to be **scratch-resistant and anti-extraction**, protecting the flooring and ensuring that the table remains firmly in position.
