

## Concrete litter bin for urban furniture h31917

Concrete waste bin with galvanized and painted steel lid. Equipped with bag holder ring. Available in different finishes. Made in Italy.

**Waste collection bin** with a simple and elegant design, ideal for placement in shopping centers, sports facilities, squares, condominium courtyards, and public spaces. Circular-shaped bin made of high-resistance concrete with rounded corners to avoid sharp edges that could be harmful to the community. Waste bin complete with **bag holder ring** and folding lid in galvanized and thermosetting powder-coated steel.

### **Technical features:**

- Material: concrete and galvanized steel
- Wall thickness: 6 cm
- Equipped with lid and bag holder ring
- Available in different finishes
- Dimensions: Ø 50 x h.100 cm
- Made in Italy
