

Concrete urban furniture bench h31914

Monoblock bench in high-resistance concrete, 200x50x50 cm, backless with smooth anti-edge finish. Made in Italy product CAM compliant.

Monoblock bench for urban furniture characterized by an essential and functional design, ideal for contexts requiring maximum durability and mechanical resistance. Made entirely in Italy, the structure uses **high-resistance concrete** treated with integral polishing on all surfaces to eliminate sharp corners and ensure user safety. The linear backless configuration allows for bidirectional use, optimizing the enjoyment of open spaces.

Technical features

- **Material:** High-resistance concrete
- **Structure:** Monoblock with holes, backless
- **Finish:** Entirely polished surfaces to prevent sharp corners
- **Dimensions:** L.200 x D.50 x h.50 cm
- **Seat thickness:** 120 mm
- **Leg thickness:** 120 mm
- **Weight:** approx. 310 kg
- **Installation:** Predisposition through bushings for inserting threaded bars (bars and chemical anchor not included)
- **Customization:** Available in different finishes
- **Compliance:** Product compliant with Minimum Environmental Criteria (CAM)
- **Origin:** Made in Italy
