- **Functional design:** keeps cones hygienic and always visible.
- **Ease of use:** light and practical boxes to manage.
- **Ideal for ice cream parlors:** designed for a professional environment.

FAQ:

1. **Are the boxes removable?**
Yes, each box is single and can be easily removed for filling or cleaning.
2. **Is plexiglass impact-resistant?**
The material is resistant to daily use, but it is recommended to avoid violent impacts.
3. **Can I use this cone holder for other types of products?**
Certainly, it is also suitable for displaying other packaged products or small accessories.
4. **How do you clean the cone holder?**
We recommend cleaning with a damp cloth and mild detergents to preserve the transparency of the plexiglass.

5. Is it possible to customize the cone holder?

It is possible to vary the configuration of the 3 boxes, positioning them as you wish.

Mini purchase guide:

Choose a **plexiglass cone holder** to ensure hygiene and easy visibility of the cones in your **ice cream parlor**. Evaluate the size of the boxes based on the quantity of cones to be displayed and the practicality of management. Single boxes allow for quick filling and cleaning. Prefer resistant and easy-to-clean materials to maintain a professional and orderly environment.
