

Conference room chair chrome frame h1038_32

h1038_32 conference chair with chrome frame, black aluminum armrests and writing tablet. Stackable, polypropylene shell, Dimensions: 62 x 64 x 80 cm.

The **h1038_32 conference room chair** represents a versatile and robust furnishing solution, designed to respond to the dynamics of **modern collective spaces**. Thanks to the integration of a **thermoplastic writing tablet** and black aluminum armrests, this seat offers ideal ergonomic support for training contexts, conferences and meeting rooms. The structure, characterized by essential lines, facilitates cleaning and handling operations, effectively solving the problem of managing multi-use spaces thanks to its **stackable nature**. The design combines the aesthetics of the chrome frame with the resistance of the polypropylene shell, guaranteeing durability even in contexts with high frequency of use.
