

Pack of 100 wooden clothes hangers with anti-theft system h16412

Anti-theft hanger made of very sturdy beech wood. Pack of 100 pieces.

The **pack of 100 clothes hangers h16412** is a professional solution specifically designed for the hotel sector, where durability and supply security are fundamental requirements. Made of **sturdy beech wood**, these hangers stand out for their medium hardness and consistent weight, guaranteeing superior stability inside the wardrobe. The design is studied to preserve the integrity of guests' garments, avoiding the formation of unsightly creases. The **integrated anti-theft system** solves the problem of loss or unauthorized removal at the root, making this model the ideal standard for hotels and high-turnover accommodation facilities.
