Connectable nursery school desk h908_164

Rectangular polypropylene kindergarten desk, 130x65x46h cm. Modular, EN 1729 compliant and ideal for children aged 3-4.

The **h908_164 rectangular desk** is a professional furnishing solution designed specifically for nursery and kindergarten environments. Its structure is conceived to encourage interaction and collaborative learning, allowing for **flexible modularity** that adapts to various educational activities. Thanks to the use of polypropylene, the table offers an optimal balance between **lightness for handling** and structural resistance to the impacts typical of intensive school use.

Technical features

- **Dimensions:** W 130 x D 65 x H 46 cm
