

Contemporary design hotel room waste bin in steel h2097

Waste bin for hotel rooms with plastic base. Inner plastic bucket with handle. Body and upper bag holder ring in bright stainless steel. Capacity 8 lt.

The **waste bin**, with a contemporary design, represents the perfect solution for those who want to give **character** and **style** to spaces. Ideal for hotel rooms, B&Bs, clinics, communities, but also offices and shops. Thanks to the **bright AISI 430 stainless steel** finish, it is easy to clean. The product, with a **capacity of 8 lt**, allows for managing small waste. The **waste bin** is equipped with an inner plastic bucket with a handle, which facilitates its removal. The base is made of **black colored** plastic.
