

Corian 3-station surgical sink 245 cm h624_20

3-station surgical sink in Corian and AISI 304 stainless steel, 2450x625mm. Superior seamless hygiene with electronic photocell taps.

The **three-station surgical sink** is designed to meet the rigorous hygiene standards of operating theaters and clinical laboratories. The combination of a **Corian basin body** with **AISI 304 satin-finish stainless steel** paneling ensures a bacteriostatic surface, resistant to stains and non-porous. The front shaping and rounded forms are designed to facilitate operator ergonomics during pre-operative washing procedures, eliminating sharp corners where biological residues could hide.

Technical features

- **Dimensions:** W. 2450 x D. 625 x h. 1200 mm
- **Stations:** 3 independent users
- **Taps:** 3 faucets with photocell activation and integrated mixer
- **Included accessories:** 3 toothbrush holders and 3 battery-powered photocell soap dispensers
