

Corner pouf for nursery 0-3 years h681_53

Soft corner pouf for nursery, ideal for children 0-3 years. Dimensions: 40 x 40 x h 20 cm. Polyurethane foam padding, fire-retardant eco-leather upholstery.

The **h681_53 corner pouf for nursery** has been designed to offer comfortable, safe, and practical seating, ideal **for children** aged between **0 and 3 years**. Thanks to its **soft and compact structure**, it integrates perfectly into educational and recreational environments, such as nurseries, kindergartens, and playrooms. The **internal padding** in **open-cell polyurethane foam** with a density of 25 kg/m³ ensures a soft yet resistant seat, capable of supporting small users without losing its original shape.

The **external upholstery** is made of **high-quality eco-leather**, completely phthalate-free to ensure maximum safety. This material is treated to be **stain-resistant**, **antibacterial**, and **antifungal**, guaranteeing optimal hygiene even after intensive use. Furthermore, the eco-leather is **fire-retardant class 1IM**, complying with the strictest safety standards, making the product perfect for public use in school and recreational environments.

From a design perspective, the corner pouf stands out for its meticulous stitching: two internal and one topstitched, which define its shape and enhance its construction quality. The fresh and vibrant **light blue/teal** color contributes to creating a cheerful and stimulating atmosphere for children, favoring play and socialization.

Another fundamental aspect is the **removability**: the cover is equipped with a matching zipper with a slider protected by a hidden pocket, which allows it to be easily removed for cleaning or replacement. This feature makes it particularly practical for those managing environments frequented by many children, where hygiene and ease of maintenance are essential.

With compact dimensions (**40 x 40 x h 20 cm**), the pouf is perfect for creating relaxation corners or for furnishing play and reading areas. The combination of quality materials, certified safety, and ergonomic design make it an indispensable furnishing accessory for those seeking a functional, durable solution suitable for the little ones.

Choosing the **h681_53 corner pouf** means investing in a high-quality product, designed to meet the needs of children and educators, offering safety, comfort, and a modern style.
