

Courtesy set tray for hotel room h41425

Professional welcome tray for hotels and B&B in black finish. Elegant design with integrated compartments for sachets and sugar. Dimensions 40x30 cm.

The **professional welcome tray** is the fundamental accessory for organizing an ordered and refined courtesy corner within hotel rooms, bed & breakfasts and holiday homes. Featuring a sober and essential design, this tray allows you to present the set for preparing tea and coffee to guests in an impeccable way, optimizing the space on the minibar unit or on the desk.

The structure is equipped with **specific integrated compartments** for housing tea bags, infusions, coffee pods and sugar sachets, avoiding disorder and facilitating the work of housekeeping staff during tidying up. Thanks to the **non-slip feet** positioned on the base, the tray guarantees stability on any surface, while protecting the furniture from scratches and wear. The matte black finish makes it a versatile furnishing accessory, capable of adapting with elegance to every style of furniture, from classic to modern.
