

Courtesy tray for hotel room h31_295

Black ABS courtesy tray with compartments for capsules, sachets and kettle housing. Minimalist design with non-slip feet for hotels and B&Bs.

The **professional courtesy tray** in ABS represents the ideal solution for organizing the coffee-break corner in hotel rooms, B&Bs, and relais with order and style. Designed with a functional and minimalist approach, this accessory solves the problem of clutter on countertops, allowing the coffee machine, kettle, and various consumables to be grouped in a single support. The **black color** finish and the ultra-flat structure adapt perfectly to any type of decor, while ensuring a hygienic and easy-to-maintain surface for service staff.
