

Courtesy tray set h16401

Professional courtesy set with 1 L chrome kettle and tray with drip drawer. Anti-theft system, rubber feet, and three finishes available.

The **courtesy tray set with chrome kettle** is a solution designed for accommodation facilities wishing to offer an in-room coffee and tea service characterized by elegance and maximum functionality. This integrated system solves the problem of clutter and accessory management, thanks to a design studied to **eliminate the use of separate saucers**, keeping the supporting surface clean and hygienic. The tray structure is available in **three different finishes**, allowing perfect aesthetic integration with the furnishings of high-level hotels, resorts, and bed & breakfasts.

The set stands out for its robust materials and attention to safety and maintenance: the **removable drip drawer** facilitates daily cleaning operations, while the rubber feet ensure stability and protection of the underlying surfaces. The 1-liter chrome kettle is equipped with an effective **anti-theft system** that secures it to the tray base, representing a safe investment for the manager. With a power range between 1250 and 1500 W, it ensures rapid boiling, meeting the needs of a professional target that does not compromise between performance and style.
