

## Courtesy tray set with 1.2 liter kettle h43828

Professional "All-in-One" welcome set for hotels and B&B. Includes a black ABS tray with satin stainless steel grid, a 1.2 liter kettle (1350W) and two matching cups. Linear and functional design. Dimensions: 44.2 x 22.6 cm.

The **complete courtesy tray set** is the essential accessory to transform the room welcome into a wellness experience. Characterized by a sober and modern design, this kit has been designed to enhance hotels, B&Bs and holiday homes, offering guests everything they need to prepare tea and herbal teas in total autonomy. The system is based on a **high-resistance black ABS** tray, enriched by a **satin stainless steel** drainage grid, which guarantees hygiene and facilitates the management of any water drops.

The technological heart of the set is the **1.2 liter kettle**, made with a combination of stainless steel and black polypropylene. With a power of 1350 W, it ensures rapid boiling while keeping electrical consumption within the limits of hotel systems. The set is supplied **complete with two matching cups**, creating a ready-to-use courtesy station that stands out for its ease of cleaning and the durability of the materials used.
