

Curved bench for urban furniture h350_91

Steel bench for urban furniture h350_91

Dimensions: L225 x W80 x H47 cm

The proposed model is an elegant bench for **public furniture** ideal for public parks or outside municipal buildings. Its curved shape also allows for delimiting the perimeter of an area such as statues or buildings. The structure is in sheet metal with **steel** tubulars that follows a long production process with passage in the oven at **180 degrees**. The product is designed for **bolting** to the ground.

The model in the photo is in **micaceous gray**.

Technical Characteristics:

- Dimensions: L225 x W80 x H47 cm
- Fixing: To the ground
- Color: micaceous gray
- Oven painted
- Feature: curved
