

Cutlery cabinet for room service h712_13

Elegant compact cutlery cabinet for restaurant room (55x55x81.5h cm). Made of veneered and painted wood, it is equipped with a pull-out drawer, hinged door and fixed central shelf. Robust 35 kg structure, delivered already assembled.

The **room service cabinet** represents an indispensable element for restaurants and hotels looking for a combination of classic aesthetics and operational functionality. Made of **veneered and painted wood**, this cabinet stands out for its high resistance and a fine finish that adapts to refined environments. The structure is optimized for order: the upper part houses a **pull-out cutlery holder** with an internal depth of 39 cm, ideal for organized management of cutlery. The lower compartment is protected by a **hinged door** and includes a **fixed central shelf**, offering a safe space for linen or tableware. The product is delivered **completely assembled**, ready for immediate use in the dining room.
