

Cylindrical pouf for kindergarten h681_49

Cylindrical pouf for nursery school h681_49 in fire-retardant and stain-resistant eco-leather, with expanded polyurethane padding for maximum comfort. Dimensions: Ø 40 x h 20 cm.

The **cylindrical pouf h681_49** is designed to offer **comfort and safety** to **children aged between 0 and 3 years**, making it an ideal choice for kindergartens and nurseries. Its **compact cylindrical shape** allows it to be used as a versatile seat, suitable for various activities such as reading, playing or relaxing moments. Designed for educational environments, this pouf adds a touch of softness and color to the space, creating a welcoming and functional environment.

The **internal padding** is made of open-cell **expanded polyurethane**, with a density of 25 kg/mc, which guarantees adequate and comfortable support for children. This type of padding is particularly resistant, maintaining its shape and integrity even after prolonged use. Furthermore, the material is lightweight, allowing educators to easily move it to create different space configurations.

The **external cover in eco-leather**, phthalate-free, is designed to offer maximum safety. This eco-leather is **fire-retardant**, with class 1IM fire reaction certification, and treated to be **stain-resistant, antibacterial and antifungal**, making it resistant to stains and easy to clean. The high-quality composition (PVC 88% and PES 12%) offers softness and elasticity, ensuring a surface that is pleasant to the touch and safe for children.

For greater practicality, the pouf has a **removable cover** thanks to a **hidden zipper**, matching the cover. The zipper is equipped with a **slider** protected by a retractable pocket, ensuring safety and discretion. This feature allows the cover to be easily removed for cleaning or maintenance, preserving the hygiene of the product.

The **finishing seams** include **two internal seams and one visible topstitching**, which elegantly outline the cylindrical shape of the pouf, giving it a refined and modern look. These aesthetic details make it not only functional but also a pleasant piece of furniture, suitable for modern school environments that focus on safety, hygiene and design.

Choose the cylindrical pouf h681_49 to enrich the play and learning space of the little ones! **Comfortable and safe**, this pouf offers a perfect seating area for creative activities and moments of relaxation. Discover the ideal quality and design for kindergartens and order today to make your educational environment even more welcoming and functional!
