

Dachshund-shaped spring rider h35115

Polyethylene playground spring rider in the shape of a dachshund. Dimensions: W27.3 x D93.1 x H80.55 cm

Spring rider **in the shape of a dachshund** for children aged between 0 and 12 years. Ideal for enriching playgrounds, courtyards, and public or private gardens. Shape and support handles made of **PE-HD polyethylene** mass-colored and **100% recyclable**, treated for **UV protection**. The rider is also equipped with a patented 8 mm thick nylon U-bracket that allows for a perfect connection between the spring assembly and the rider's shape, both anchored at the ends via the **Spring Disk system**. The fixing involves **ground embedding** of a sturdy **hot-dip galvanized and anti-corrosive steel frame**.

Technical features:
