

Design bench with backrest h867_10

Steel bench for public spaces. Dimensions: 1880 x 595 x H.750 mm.

Bench for urban furniture, ideal for marinas, promenades and avenues. The item is characterized by the presence of a **design backrest that extends only on the left side of the bench**, creating a harmonious effect.

The item is made of **steel** and features both the seat and the feet in 5 mm thick sheet steel. **The steel sheet base plate** instead has a thickness of 10 mm. The powder-coated finish guarantees durability over time and protection against atmospheric agents. Ground fixing is done via pins not provided.

Technical features:

- Material: steel
- Backrest only on the left side
- Powder-coated finish
- Ground fixing
- Available colors: RAL 7016, RAL 7039
- Length: 1880 mm
- Seat height: 420 mm
- Backrest height: 750 mm
- Width: 595 mm
- Weight: 58 kg
