

Design bike rack for urban furniture h140_393

Design bike rack for public spaces. Dimensions: W.154 x D.66 x H.72 cm. Available in various finishes.

The modern and elegant design bike rack is the ideal product for stylishly furnishing public streets and residential neighborhoods.

The product consists of **shaped supports for bicycle attachment** in 80 x 6 mm flat iron. Each support is separated by crossbars made of 60 x 2 mm galvanized steel round tube.

The entire structure is made solid by a rod made of galvanized steel profile and end caps in galvanized sheet metal.

The product is manufactured with **anti-corrosion and non-toxic treatments**, in order to guarantee durability over time.

The rack is equipped with holes at the base for fixing.

Technical features:

- Material: galvanized steel
- To be bolted down
- Available in various colors
- Dimensions: W.154 x D.66 x H.72 cm
- Compliant with UNI EN ISO 9001:2015
- Compliant with UNI EN ISO 3834-4:2006
