

Design curved bench h678_15

Single curved bench for urban furniture. Available in various finishes. Dimensions: D. 46 x h. 45 cm.

The flat curved bench (concave or convex) has been designed to furnish urban spaces in a refined and elegant way, giving the surrounding environment a touch of class and delicacy. The urban furniture bench features a **structure in 18 mm diameter calendered tubes in polyester powder-coated and hot-dip galvanized steel**. The product is available in various colors and is specifically designed to withstand atmospheric agents and wear over time. **A special treatment** is in fact applied to the metal surfaces, giving them further resistance and quality.

The bench is designed for floor fixing with anchor bolts.
