

Design luggage rack with backrest h514_07

Hotel luggage rack made of wood complete with three fabric straps. Available in various colors. Dimensions: W. 57.5 x D. 45 x H. 56 cm.

The **h514_07 design luggage rack** is a modern and innovative piece of furniture, designed to elegantly enhance hotel rooms, holiday homes, and bed & breakfasts. Made of fine **beech wood**, the structure combines a refined aesthetic line with the functionality of **three removable and interchangeable nylon fabric straps**. This model is equipped with a practical **rear backrest**, designed to offer stable support for luggage and protect the vertical surfaces of the room. Thanks to the **foldable** nature of the structure, the luggage rack solves the operational problem of space management, allowing it to be stored in very little space and used only when necessary, guaranteeing the HoReCa target a versatile and high-quality solution.
