

## Design outdoor ashtray h140242

Design **cigarette extinguisher** complete with plate provided with holes for ground anchoring. **100% Italian** product. Color: gunmetal. **Height: 110 cm.**

Outdoor ashtray with a sinuous line **made entirely in Italy** with quality and weather-resistant materials. Galvanized steel structure with **decorative intermediate element** in turned steel complete with a circular shaped container made of 30/10 thick galvanized sheet metal with a micro-perforated plate for extinguishing cigarettes.

The outdoor item is pre-treated by spray washing with special degreasing liquids, subjected to a **first painting cycle using an anti-corrosive primer** based on epoxy resins with special pigments and painted with **thermosetting powder** based on polyester resins in "gunmetal" color.

The outdoor cigarette extinguisher is equipped with a **plate with holes for ground anchoring** by means of lag bolts and expansion plugs.

### Technical characteristics:

- Color: gunmetal
- Container diameter: 45 cm
- Base diameter: 30 cm
- Height above ground: 110 cm
- Depth: 52 cm
- 100% Made in Italy
