

Designer wall-mounted changing table h743_16

Horizontal wall-mounted changing table in molded wood and metal, 83x56.2 cm. Space-saving foldable structure with fold-down brake for HoReCa contexts.

Professional horizontal development changing table designed for installation in public environments requiring high standards of safety and robustness. The structure combines the aesthetics of **molded wood** with the solidity of a metal central core, ensuring stability during use and resistance to mechanical wear. Thanks to the foldable mechanism and the **fold-down brake** system, the device prevents accidental falls of the platform and optimizes space in high-traffic restrooms.

Technical features

- **Material:** molded wood with metal central core
- **Mounting type:** wall fixing
- **Finish:** anthracite central band
- **Resting surface:** 54 x 79 cm
- **Overall height:** 56.2 cm
- **Overall length:** 83 cm
- **Depth occupancy (open):** 60.5 cm
- **Depth occupancy (closed):** 22.5 cm
- **Compliance:** DIN EN 1221:2013-12
