

Desk with laminate top and wire shelf h848_46

Desk h848_46 (70x50x64h cm) size 4 in ivory laminate 20 mm thick with beech edge and tubular Ø 28 mm. Integrated wire shelf.

The **Desk with laminate top and wire shelf h848_46** is a single-seater rectangular table designed for setting up individual workstations in school and educational environments. This furniture meets the operational need to combine a stable study surface with orderly management of teaching materials, preventing the accumulation of objects on the work surface thanks to the integration of a practical lower compartment. Aimed at schools, educational institutes, and training centers, the desk is identified by school size 4, with dimensions of 70 x 50 cm and a height from the ground of 64 cm, with a net weight of 11.85 kg. The supporting structure consists of tubular elements with a diameter of 28 mm, supplied in Light Gray and Metallic finishes. The rectangular work surface is made of Ivory color laminate with a thickness of 20 mm and finished with a beech edge, completed by a functional wire shelf.
