

Dining room service cabinet 1 door 1 hopper h22_243

Low service cabinet for dining rooms in Oak melamine (94x48x98h cm). Equipped with 2 closed cutlery drawers, 1 door with adjustable shelf and 1 tilting hopper. On wheels.

The **professional dining room service cabinet** is a versatile technical furnishing element, designed to optimize mise en place and clearing operations in restaurants, hotels, and pizzerias. Made of **melamine wood with an Oak finish**, this model combines solid storage capacity with a compact footprint. The operational configuration is designed for maximum efficiency: it has **2 closed cutlery drawers** on runners with internal dividers, a compartment with a **door** and adjustable shelf for crockery, and an integrated **tilting hopper**. The latter allows for the discreet management of dirty linens or waste, keeping the dining room aesthetics always impeccable.
