

Dining room service cabinet h684_10

Tall service cabinet for restaurant dining room in laminated wood (94.8x47x150.8h cm). Equipped with a 2-shelf riser, 2 cutlery drawers, a bottom 2-door compartment with an adjustable shelf, and swivel wheels. Available in various finishes.

The **restaurant dining room service cabinet** is a complete workstation, designed to centralize and organize everything needed by the dining room staff. Made of high-quality **laminated wood**, this unit combines durability and aesthetic versatility thanks to the various finishes available. The structure develops vertically to maximize space: the upper part has **2 large open shelves** (one of which is adjustable) for glasses and condiments, while the central body houses **2 drawers** dedicated to cutlery. The base consists of a spacious **2-door compartment** with an internal adjustable shelf, ideal for storing plates and linens. Thanks to the 4 swivel wheels, the unit guarantees smooth mobility for any layout requirement.
