

Dining room service cabinet with 1 open compartment h2200134

Low service cabinet for restaurant dining rooms in Oak finish (94x48x98h cm). Equipped with 2 cutlery drawers with dividers, open compartment, and door with adjustable shelf. On wheels.

The **professional service cabinet for dining rooms** is a compact and functional solution, ideal for optimizing organization in restaurants, snack bars, taverns, and hotels. Made of **high-quality melamine-faced wood in Oak finish**, this cabinet combines a warm, natural aesthetic with a robust structure designed for daily use. The operational configuration includes **2 cutlery drawers with dividers** mounted on smooth glides for meticulous cutlery organization. The base is divided between a practical **open compartment**, for immediate access to plates or menus, and a **door with an adjustable internal shelf**, perfect for storing linens or tableware of different sizes in a protected way.
