

## Dismountable anti-vandal single bed for barracks h679\_49

Anti-vandal single bed in AISI 304 stainless steel (1900x900 mm). Dismountable structure with security screws, satin finish. Ideal for barracks and collectivities.

The **h679\_49 anti-vandal single bed** is a professional furnishing solution designed for contexts requiring the highest standards of resistance, hygiene, and security. Made entirely of **AISI 304 stainless steel** with a satin finish, this bed addresses critical issues related to extreme wear and tampering attempts through the integration of specific **anti-vandal screws**. The structure is designed to withstand intensive loads in collective environments while maintaining an aseptic and easy-to-decontaminate surface. Despite its high solidity, the **completely dismountable** design facilitates logistics, transport, and installation in tight spaces without compromising structural stability once assembled.

## Technical characteristics

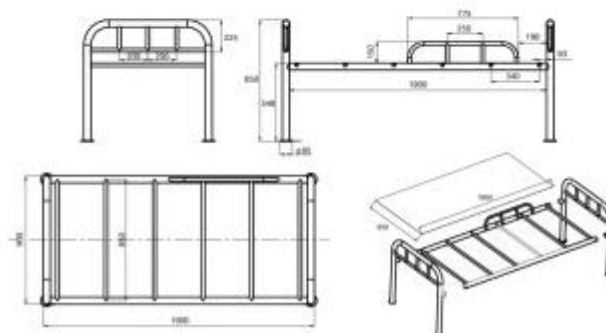

- **Material:** High-quality AISI 304 stainless steel
- **Finish:** Satin (anti-glare and easy to clean)
- **Total dimensions:** 1900 x 900 x 850 mm
- **Bed base height:** 548 mm
- **Security system:** Fixing with anti-vandal screws
- **Structure:** Tubular with leg diameter Ø 85 mm
- **Configuration:** Completely dismountable to facilitate transport
- **Resistance:** Designed for intensive use and high loads
- **Headboard/Footboard details:** Equipped with vertical protection bars and reinforcements
