

## Single cereal dispenser h22015

Cereal dispenser suitable for bowls with height up to 7.5 cm. Capacity: 3.5 liters. Dimensions: W.18 x D.17 x H.39.5 cm. Weight: 1.8 Kg.

**The cereal dispenser** is ideal for buffet breakfasts in hotels, bars and cafes. Dispenser with an elegant and refined design, made of lacquered steel with a resistant plastic container.

The dispenser dispenses muesli, cornflakes, cereals in portions of approximately 50 ml, without crumbs, thanks to a simple rotation gesture.

**The h22015 dispenser** is easy to clean and disassemble and is suitable for bowls with a maximum height of 7.5 cm.

If the dispenser is not used for a long period of time, it is advisable to **close the container tightly on the lower side** using the cap, so that the products inside remain fresh.
