

Dispenser for coffee and food 5 kg h15726

Dispenser for coffee and food capacity 5 kg. Particularly suitable for small bulk foods. Made in Italy.

Dispenser for coffee and food capacity 5 kg. Particularly suitable for small bulk foods. Made in Italy.

Dispenser for wall or shelf use

- polished steel body
- food-grade acrylic cylinder
- top loading

Steel is a material very resistant to wear and corrosion. It is a material that lasts over time and guarantees an excellent result, both from an aesthetic and functional point of view.

This dispenser is particularly suitable for coffee and small bulk foods such as beans, lentils and sprinkles, for which it guarantees good flowability. It cannot be used for powdered foods.
