

## Coffee and food dispenser with curved front glass 5 kg h15708

Coffee and food dispenser with curved front 5 kg. Particularly suitable for small bulk foods. Made in Italy

Coffee and food dispenser with curved front 5 kg. Particularly suitable for small bulk foods. Made in Italy.

### Wall-mounted or shelf-mounted dispenser

- polished steel body
- curved glass front
- top loading with sliding lid
- movable bulkhead for display chamber

Steel is a material very resistant to wear and corrosion. It is a material that lasts over time and guarantees excellent performance, both aesthetically and functionally.

This dispenser is particularly suitable for coffee and for small bulk foods such as beans, lentils, and small candies, to which it guarantees good flowability. It cannot be used for powdered foods.
