

## Coffee and food dispenser with flat front glass 3.5 kg h15715

Coffee and food dispenser with flat front 3.5 kg. Particularly suitable for small bulk food items. Made in Italy

Coffee and food dispenser with flat front 4.5 kg. Particularly suitable for small bulk food items. Made in Italy.

### Dispenser usable on wall or shelf

- polished steel body
- flat front glass
- top loading with hinged lid

Steel is a material very resistant to wear and corrosion. It is a material that lasts over time and guarantees an excellent result,

both from an aesthetic and functional point of view.

This dispenser is particularly suitable for coffee and for small bulk food items such as beans, lentils and sprinkles, to which it guarantees good flow. It cannot be used for powdered foods.

**Technical features:**
