

Coffee and food dispenser with flat front glass 5 kg h15714

Coffee and food dispenser with flat front 5.5 kg. Particularly suitable for small bulk foods. Made in Italy

Coffee and food dispenser with flat front 5.5 kg. Particularly suitable for small bulk foods. Made in Italy.

Dispenser suitable for wall or shelf mounting

- polished steel body
- flat front glass

- top loading with hinged lid
- movable partition for display chamber

Steel is a material highly resistant to wear and corrosion. It is a material that lasts over time and guarantees excellent performance, both from an aesthetic and functional point of view.

This dispenser is particularly suitable for coffee and small bulk foods such as beans, lentils, and sprinkles, to which it guarantees good flow. It cannot be used for powdered foods.
