Steel toilet seat cover dispenser h18507

Professional dispenser for toilet seat covers in painted steel, 210x65x300 mm. Made in Italy product with anti-vandal lock and fixing kit.

This professional dispenser is specifically designed for the dispensing of **disposable toilet seat covers**, offering a functional solution for environments that require high hygiene standards. Entirely **Made in Italy**, the device is made of **painted steel**, a material selected for its high mechanical resistance to impacts and long-lasting protection against corrosion in humid environments.

The structure features a practical **front opening** that facilitates the removal of a single sheet, maintaining the hygienic integrity of the remaining toilet seat covers. To ensure maximum security in public places, the dispenser integrates a **locking system with a key**, essential for preventing waste, theft, or vandalic tampering.
