Stainless steel toilet seat cover dispenser h18514

Professional toilet seat cover dispenser in polished AISI 304 stainless steel. Dimensions 210x65x300 mm, Made in Italy with safety lock.

The **toilet seat cover dispenser** is an essential accessory for setting up restrooms in professional and hospitality environments that require high standards of hygiene and guest care. Entirely **designed and manufactured in Italy**, the device is constructed in **AISI 304 stainless steel** with a polished finish, a material that ensures superior resistance to corrosion and constant ease of sanitization over time.

The structure is designed to guarantee maximum safety of use and prevent vandalism: it is in fact equipped with **anti-cut edges** to protect the user and a **lock with a safety key** for consumable control. The compact design allows for installation even in small spaces, ensuring an additional and qualifying hygiene service for the business.
