

Wall-mounted soap dispenser h22406

900 ml white ABS soap dispenser for public restrooms. Dimensions 250x115x115 mm. Available in liquid/gel or foam version.

The **wall-mounted soap dispenser** is a professional solution designed for high-traffic restroom facilities. Thanks to its **white ABS plastic** structure, the device ensures high hygiene standards and optimal mechanical resistance to impacts and daily wear. The design features a drop-shaped inspection window that allows for immediate monitoring of consumption, discreetly integrating into HoReCa contexts, offices, and hospitality facilities.

Technical features

- **Material:** High-resistance ABS plastic
- **Color:** White with gray inspection slot
- **Security system:** Lock with dedicated key
- **Capacity:** 900 ml
- **Dimensions:** 250 x 115 x 115 mm (H x W x D)
