

Steel soap dispenser h21832

Liquid soap dispenser in stainless steel. Capacity: 1200 ml. Dimensions: 210x121x130 mm.

The **soap dispenser** is an ideal accessory for the bathrooms of restaurants, pizzerias, bars, gas stations.

In addition, in compliance with hygiene standards, it can also be placed in professional kitchens, thanks to the body made entirely of **AISI 304 stainless steel**, a material particularly resistant to corrosion and highly hygienic.

Vertical drip-proof dispenser, practical and functional thanks to the convenient button that allows its operation.

At the top of the dispenser there is a refill port that can be opened thanks to a practical **anti-vandal key**.
