

Wall-mounted soap dispenser h22043

Wall-mounted dispenser made of nickel-chrome steel. Capacity: 1 litre. Dimensions: W.123 x D.110 x H.204 mm. Weight: 0.5 Kg.

The liquid soap dispenser is an essential furnishing element for all public toilets. In particular, the h22043 soap dispenser, thanks to its simple design with a steel finish, is perfectly suited for public restrooms in restaurants, hotels, cinemas, and companies.

To facilitate installation operations and allow for precise marking of the holes, this dispenser is equipped with a removable fixing plate.

Made entirely of **nickel-chrome steel**; a material resistant to impacts and durable over time.

The product does not require special maintenance, is easy to assemble thanks to the **fixing material** provided, and is equipped with a convenient slot to view the soap refill level.
