

Document cabinet with shelves and partition W. 150 cm h286_42

Steel document cabinet, 150x45x200 cm, open-front with central partition and 8 adjustable shelves. Ideal for intensive filing. The **open-front document cabinet** is a solution designed for the systematic organization of binders and folders in professional settings such as offices, healthcare facilities, companies, and technical studios. Made of **sturdy sheet steel**, the structure ensures high stability and durability over time thanks to the oven-baked powder coating in the standard **RAL 7035 grey** color. The **open-front** configuration is designed to facilitate the immediate retrieval of documentation, making it ideal for high-frequency workstations.
