

Document filing cabinet h796_06

Professional filing cabinet in 8/10 steel sheet, 6 full-extension drawers, 64x63x105 cm, ideal for intensive and secure archiving. The **professional office filing cabinet** is designed for the intensive management of paper documentation, files, and invoicing in contexts requiring maximum organizational efficiency. The structure is entirely made of **high-quality 8/10 thick steel sheet**, guaranteeing superior mechanical resistance and stability over time. Equipped with 6 drawers with full-extension telescopic slides, the system allows complete access to the contents, optimizing search and consultation times. Operational safety is guaranteed by an **anti-tip** device and a centralized lock for the protection of sensitive data.
