

## Document holder display h738\_124

Double-sided display with 12 aluminum snap frames for 50 x 70 cm posters, wall mounting with triangular support. Dimensions: W 130 x D 86 cm.

The **double-sided wall-mounted book display h738\_124** is a versatile and professional solution for displaying **50 x 70 cm format posters** on both sides, perfect for indoor environments where visibility on multiple fronts is essential. Built with **12 anodized aluminum snap frames**, it offers an elegant and modern design, with **rounded corners** for greater safety. The **anti-reflective PVC protection sheet** ensures that posters are always visible, without distortions caused by light reflections, and protects them from dust and accidental damage.

The double-sided feature of this display allows for the exhibition of **graphics on both sides**, maximizing visual communication in high-traffic areas such as **showrooms, shops, offices, galleries or shopping centers**. The **book-style opening** system makes changing posters quick and easy, without the need to remove the frames from the wall, thus reducing operational time and facilitating frequent graphic management.

**Wall mounting** is achieved via a **space-saving triangular support**, which guarantees stability and safety, optimizing the available wall space. The **overall dimensions** of the display are **130 x 86 cm**, making it compact yet capable of offering high visibility. Made of **aluminum/metal** with a **silver anodized** finish, it perfectly adapts to any modern and professional design context, adding a touch of elegance to the surrounding environment.

Thanks to its sturdy and resistant construction, this display is designed to last over time, even in busy contexts. It is ideal for temporary exhibitions, promotional events, signage or informative presentations, offering an efficient solution with a remarkable visual impact.

Don't miss the opportunity to improve your visual communication with a **double-sided book display** designed to maximize the impact of your messages! Ideal for shops, showrooms, offices or exhibition spaces, this **h738\_124** display allows you to show posters on both sides, optimizing visibility and ensuring an elegant and professional presentation. Thanks to the practical book-style system, you can quickly update your content without complications, saving time and effort. Buy your double-sided book display for 50 x 70 cm posters now and ensure that your graphics are always perfectly protected and visible. #### FAQ:

1. **Can I use this display outdoors?**  
No, it is designed for **indoor** use.
2. **How does the double-sided system work?**  
It allows graphics to be displayed on both sides, maximizing visibility from multiple directions.
3. **What poster formats does it support?**  
It supports posters measuring **50x70 cm**.
4. **How is it mounted to the wall?**  
The display is fixed to the wall using an included **space-saving triangular support**.

#### Mini buying guide:

When choosing a double-sided book display for your exhibition space, it is important to consider the environment and the visibility you want to achieve. This model is designed to offer **maximum exposure on two sides**, making it ideal for areas with frequent traffic or where it is necessary to attract attention from multiple angles.

The **compact dimensions** and space-saving **wall mounting** make it perfect for contexts such as **shops, galleries, offices**, or **shopping centers**, where space may be limited but a strong visual impact is needed. Furthermore, the **book-style opening** system simplifies content replacement, making it ideal for those who frequently change graphics.

If you are looking for a robust, elegant and functional solution, this display is perfect for enhancing your posters in a simple and professional way.
