

Double-seater changing table with doors h681_58

Professional double-seater changing table in E1 wood 140x74cm, with sliding doors, braking wheels and 1IM fireproof antibacterial cushions for healthcare use.

The **double-seater changing table h681_58** is a professional furnishing solution designed specifically for the rigorous requirements of neonatal departments, hospital nurseries, and childcare facilities. Thanks to its double-station configuration, it optimizes the operational times of care staff while guaranteeing the highest standards of hygiene and structural safety. The ergonomic design addresses the critical issues related to intensive use in high-traffic environments, offering a stable and easily sanitizable work surface.

Technical features

- **Structure:** Class E1 certified wood conglomerate panels with low formaldehyde emission, 20 mm thickness, birch finish.
- **Edge safety:** 3 mm ABS edging with a minimum radius of curvature of 2 mm to prevent trauma.
- **Storage system:** 20 mm sliding doors with recessed safety handles for quick access to materials.
- **Changing stations:** Two independent units complete with lateral safety side rails.
- **Cushions:** Polyurethane foam padding density 25 kg/mc, removable for deep cleaning.
- **Coating:** Class 1IM fireproof eco-leather, phthalate-free, with stain-resistant, antibacterial, and antifungal treatment.
- **Mobility:** 4 swivel nylon wheels with ball bearings, 2 of which are equipped with safety brakes.
- **Dimensions:** W 140 x D 74 x H 86 cm.
- **Compliance:** Responding to current regulations for healthcare and school furniture.

Optionals

- **Extra mat:** Class 1IM fireproof eco-leather external coating (PVC 88%, PES 12%) phthalate-free.
- **Increased dimensions:** Available version W 100 x D 74 x H 17 cm for specific needs.
