

Double tray refrigerated display case h887_50

Double display case with roll-top lids and 4 cooling elements. Dimensions: W 48 x 35.5 x H 48 cm.

The **h887_50 double tray refrigerated display case** is the ultimate solution for professional display in Ho.Re.Ca. environments that need to maximize food variety in a limited space. Featuring a modular two-tier structure, this display case offers two independent stations, each equipped with a **transparent PET roll-top lid** with 90° opening. The **black ABS** base houses a stainless steel tray supported by gel cooling elements, ensuring optimal preservation for cold cuts, cheeses, yogurts and desserts. The rigid plastic frame ensures stability for the entire column, making the buffet organized, hygienic and visually appealing.
