

Drawer unit on wheels with 2 drawers h796_14

Drawer unit for office furniture with 2 drawers and wheels. Dimensions: W.42 x D.58 x h.57.5 cm. Lock with centralized closure.

Compact and functional drawer unit ideal for furnishing all types of offices and allowing adequate storage of documents or objects. It is characterized by its sturdy structure mounted on **4 swivel wheels with brake** that allow it to be moved practically from one place to another. Made entirely of **recycled metal** and equipped with **2 drawers, the upper one 16 cm high and the lower one 32 cm high**, both with total extraction and **anti-tipping safety system**. A **lock with centralized closure** allows the 2 drawers to be closed simultaneously and the material inside to be kept at its best.

Technical features:

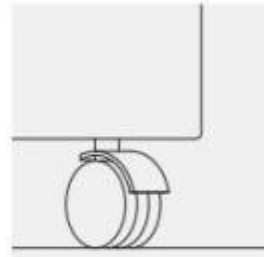

- Dimensions: W.42 x D.58 x h.57.5 cm
