

## Dry iron for hotel room h16\_31

Dry iron ideal for hotel use. Automatic shut-off. Color: black. Power: 900-1100 W.

The **dry iron h16\_31** is a professional device specifically designed for hotel use, featuring a simple and elegant design that fits every type of hotel room. With an adjustable power between **900 and 1100 W**, this model offers effective ironing without the use of steam, eliminating problems related to limescale and tank maintenance at the root. Structural safety is guaranteed by the **automatic shut-off** system, which activates after only 30 seconds of inactivity in a horizontal position and after 8 minutes in vertical. Equipped with a **comfortable compact handle** and a non-stick soleplate, it solves the operational problem of quick garment management by guests, while ensuring minimal footprint within the furnishings.
